

MISSION CELEBRATES ITS ANNIVERSARY

Twenty-eight Years Ago Central Union Mission Was Founded.

The Central Union Mission observed its twenty-eighth anniversary yesterday. Meetings were held in the Church of the Ascension in the morning; in the mission auditorium in the afternoon, and in the Metropolitan, M. E. Church in the evening.

Frank Carr, a singer, who was converted and active in mission circles, took part in the services. Carr told the story of his life of crime and drew the moral. Carr says that it is the only year since he was converted. Before his conversion he had served five and a half years in a reform school and twenty-two years in four State prisons.

"Lumber Jack," hailing from the lapels of Minnesota, also made an address. He spoke at the afternoon services and told of the hardy Christianity which saved his life.

The day was opened with Sunday breakfast at the mission at 9:30 o'clock at which Carr spoke. Rev. J. Henning Neins preached the anniversary sermon.

Rev. Donald C. MacLeod presided at the afternoon session in the auditorium. Brief addresses were made by Rev. J. C. Ball, Rev. H. E. Brundage, Rev. C. P. Clark, Rev. H. L. Hout, and Rev. R. L. Pultz.

The Christian Endeavor Chorus assisted in the musical service, and the union organized a Sunday school in the chapel at 3 o'clock.

Following the afternoon services an anniversary supper was served.

Frank Carr spoke on "The Dark and Bright Side of Life" at a gathering held at the mission's gospel wagon. Carr, a former teller of stories of his own experiences while one of the underworld. He spoke again in the evening at the Metropolitan M. E. Church, Four-and-a-half and C Streets Northwest. Dr. E. E. Richardson presided at the evening session. Dr. James Sherer Montgomery made an address.

ROOSEVELT APPROVES PLANS.

"I am very glad indeed that arrangements are being made to have attention directed throughout the United States on 'Tuberculosis Day,' October 27, to the immediate urgent duty resting upon us all to do all we can do to prevent this preventable disease," says Col. Theodore Roosevelt in a letter made public to-day. This letter was written by Col. Roosevelt, an honorary vice president of the National Association for the Study and Prevention of Tuberculosis to Home Folks, the president of that body.

Continuing, Col. Roosevelt says: "It is particularly fitting that clergymen, churches, and church organization should impress upon their members and attendants the duty of actively supporting in every practical way their local agencies, hospitals, dispensaries and the like, engaged in the suppression of tuberculosis. The amount of suffering, misery, organza, bitter poverty, and social ills that would be obviated by the application of our present knowledge as to the causes and prevention of tuberculosis is simply incalculable."

Funeral of Senator Heyburn.

The body of the late Senator Sheldon Brewster Heyburn of Idaho, accompanied by eighteen of his former colleagues in the United States Senate, and members of his immediate family, left Washington at 9:30 o'clock yesterday morning for the final resting place in the burying ground of the old Quaker meeting house in Birmingham, N. W. West Chester, Pa. Funeral services at the grave were conducted by Rev. George Wilbur, pastor of the Quaker Church.
